Plastciville Built Up Apartment Building

Product Information

Since 1947, hobbyists and collectors have made *Plasticville® U.S.A.* products their structures of choice. Now, in addition to our traditional, easy-to-assemble kits, Bachmann is pleased to offer these pre-assembled *Plasticville® U.S.A.* buildings.

Plasticville® pieces add character and dimension to your O scale layout. Many buildings and accessories have been added to the *Plasticville®* line throughout its history, and many are still produced from their original molds. As a fun challenge to collectors (you can even join the Plasticville Collectors Association at plasticvilleusa.org), you can collect hundreds of product, color, and packaging variations that have occurred over the years. Whether you're new in town or an established civic leader, Bachmann builds *Plasticville® U.S.A.* for you. City growth is limited only by your imagination!
